

how to match Colors in your wardrobe

colors how to match hues

MAIN COLOR OF YOUR OUTFIT	ACCENT WITH THESE COLORS (IN SECONDARY CLOTHING)
 White	 + all the dark and bright shades
 Beige	   
 Grey	    + all pale / bright colors
 Sky blue	     
 Pink	   
 Yellow	   
 Orange	   
 Black	  + clear shades, not pastels
 Brown	    
 Navy	    
 Green (all shades)	     
 Red (all shades)	     
 Purple	     

TIPS

1. Dark outfit - pop with light (or bright) hat / gloves / jewelry. Shoes and bag dark.
2. Dark outfit - texture or shine of the same hue
3. Keep darker color on part of silhouette you don't want to bring attention to
4. Brightest / lightest color should highlight part of your silhouette you WANT to show off
5. Mix patterns of same color intensity and same size patterns (OR very small with very large)

TO TRY

1. Bright blue (like Robin's Egg or Turquoise) with a pink red or a orange red
2. Purple with Yellow (or red in cooler months)
3. Blush pink with yellow
4. Peach (or blush pink) with turquoise blue
4. Melon orange with sea mist blue
5. Jade or Evergreen with gold yellow
